About Us

The key to a healthy life is healthy food. Eat well, eat healthy is not only an oft-cited cliché but a good habit that would keep everyone fit and fine. Keeping up with this spirit, we, Farming Hut Exim Pvt. Ltd., are bringing forth fresh fruits, vegetables, and the finest varieties of spices and seasonings. Located in North 24 Parganas, we are known as a reliable manufacturer, supplier, trader and exporter of Fresh Grapes, Green Bananas, Fresh Cabbages, Turmeric Powder, etc.

We were established in 2021, and today, have earned fame as a fast growing enterprise in the eastern part of India. In just over two years, we have built a good reputation in the market as a company that delivers what it promises. Ever since we set out on the mission to provide healthy food products, we are putting in our best efforts to supply good quality, healthy and nutritious fruits and vegetables. As we operate globally, customers interested in our product range may connect with us for a detailed discussion about their requirements.
